

UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF NEW YORK

-----X

UNITED STATES OF AMERICA,

-against-

INSAF ALI

APPLICATION AND ORDER
OF EXCLUDABLE DELAY

18-M-289

Defendant.

-----X

The United States of America and the defendant INSAF ALI
hereby jointly request that the time period from 4/25/2018 to 5/25/2018
be excluded in computing the time within which an information or indictment must be filed.
The parties seek the foregoing exclusion of time in order because

☒ they are engaged in plea negotiations, which they believe are likely to result in
a disposition of this case without trial, and they require an exclusion of time in order to focus
efforts on plea negotiations without the risk that they would not, despite their diligence, have
reasonable time for effective preparation for trial,

☐ they need additional time to investigate and prepare for trial due to the
complexity of the case,

☐ other:

This is the Second # application for entry of an order of excludable delay. The
defendant was arrested on 4/4/18 and released on 4/25/18

Assistant U.S. Attorney

Bobbi Sternheim, Esq.
Counsel for Defendant

For defendant to read, review with counsel, and acknowledge:

I understand that federal law generally provides that I have a right to have formal
charges lodged against me within thirty days of my arrest and a right to a trial on those
charges within seventy days after formal charges have been lodged. I further understand that
I do not have to consent to the exclusion of time sought in this application and that, by
consenting to entry of this order, the date on which formal charges must be lodged will be
delayed and the date for the commencement of any trial on those charges will likely be
delayed as well. I also understand that if formal charges are not brought against me within
the time required by law, I may seek relief from the court, and that this relief might include
dismissal of the complaint now pending against me.

I have reviewed this application, as well as the order annexed below, and have discussed the question of whether I should consent to entry of an order of excludable delay carefully with my attorney. I consent to the entry of the order voluntarily and of my own free will. I have not been threatened or coerced for my consent.

INSALF ALI
Defendant

For Defendant's Counsel to read and acknowledge:

I certify that I have reviewed this application and the attached order carefully with my client. I further certify that I have discussed with my client a defendant's right to speedy indictment and the question of whether to consent to entry of an order of excludable delay. I am satisfied that my client understands the contents of this application and the attached order, that my client consents to the entry of the order voluntarily and of his or her own free will, and that my client has not been threatened or coerced for consent.

ORDER OF EXCLUDABLE DELAY

Upon the joint application of the United States of America and defendant, INSALF ALI, and with the express written consent of the defendant, the time period 4/25/2018 to 5/25/2018 is hereby excluded in computing the time within which an information or indictment must be filed, as the Court finds that this exclusion of time serves the ends of justice and outweighs the best interests of the public and the defendant in a speedy trial because

☒ given the reasonable likelihood that ongoing plea negotiations will result in a disposition of this case without trial, the exclusion of time will allow all counsel to focus their efforts on plea negotiations without the risk that they would be denied the reasonable time necessary for effective preparation for trial, taking into account the exercise of due diligence.

☐ additional time is needed to prepare for trial due to the complexity of case.
